*"The Order of the Arrow is a thing of the out of doors rather than the indoors.
It was born in an island wilderness. It needs the sun and rain, the woods and
the plains, the waters and the starlit sky."*

E. Urner Goodman

THE VOYAGE OF A LIFETIME

The National Order of the Arrow is offering you an opportunity to join Arrowmen from across the country in cheerful service and the formation of lasting brotherhood on the pristine US/Canadian Boundary Waters. Under the direction of the Quetico Provincial Park, experienced Northern Tier staff members with strong Order of the Arrow backgrounds will lead participants on a two week voyage into majestic Canadian wilderness.

The program is a fourteen-day experience inspired by the traditions of the French and Canadian Voyageurs who ventured the northern wilderness during the 1700-1800's. Traveling thousands of miles by water and portage, these Voyageurs were hired to haul goods and furs to trade with Native Americans and Europeans. In the spirit of these adventurers, Arrowmen will embark on a voyage that is twofold. One-half of the OA Northern Tier Wilderness Voyage focuses on portage trail and campsite maintenance within the Quetico. The remaining expedition is spent on a canoeing adventure that is planned and chosen by the participants in the program. In other words, each crew plans their own voyage! However, the program is not simply portage trail work, camping, and canoeing. The OA Northern Tier Wilderness Voyage is ultimately a journey that challenges Scouts mentally, physically, and spiritually.

Portage trail work is tough and serious. The worksite experience is full of long, strenuous days requiring a great deal of physical effort. Participants are expected to work with great diligence as the tasks being accomplished are designed to benefit generations of Scouts and non-Scouts in the Quetico Wilderness. In addition to mastering portage trail maintenance techniques, Scouts will strengthen their leadership skills, learn advanced wilderness and Leave No Trace camping skills, learn wilderness safety techniques, participate in many motivational activities, and receive special OA instruction. The projects' mission is to maintain, reinforce, and intensify the purpose of the Order of the Arrow through Scout camping traditions. Camping enhances and builds stronger programs and people. Participants are expected to use their experience to benefit their troop, chapter, lodge, and council programs.

REQUIREMENTS

- Be at least 16 years old the day your program begins, but not yet 21 by its conclusion.
- Be strong and robust (Northern Tier height and weight guidelines listed in this application will be strictly enforced.)
- Be a registered member of both the BSA and a local OA lodge.
- **HAVE A VALID PASSPORT. (See Page 2)**
- **Have a clean criminal record (this is required to cross the international border).**
- No exceptions can be made to these requirements. Selection for this program is competitive and is both an honor and a privilege.

HOW TO APPLY

Complete the enclosed application and have it approved by both your Scout Executive and Lodge Adviser. Parental permission is required if you are under age 18. Mail your completed application and \$50.00 deposit to the Order of the Arrow, Boy Scouts of America, PO Box 152079, Irving, Texas, 75015-2079. The Order will begin notifying applicants of acceptance by March 15, 2009. Following receipt, a packet of material will be sent to you to assist in preparing you for your experience in the Quetico/Boundary Waters. Download additional applications at <http://adventure.oa-bsa.org>. Applications will be accepted until all slots are filled.

LODGE AND COUNCIL RESPONSIBILITIES

Lodge and Council should only approve those youth Arrowmen who meet all of the qualifications for this program. Northern Tier is not an easy experience and is a risk for those not physically prepared for the rigors of the boundary waters.

PROGRAM COSTS AND INTERNATIONAL TRAVEL INFORMATION FOR PARTICIPANTS

Participant cost is \$200.00 for the two-week experience. A \$50.00 non-refundable deposit is required with the application. The balance of the fee is due at the time of acceptance as a participant in the program. Additional expenses, including travel to and from Northern Tier as well as miscellaneous purchases, are the responsibility of the participant.

Due to the international travel involved with this program, it is **required that all participants have a valid passport as well as a clean criminal record or they will NOT be permitted to cross the international border** and will therefore be sent home.

For information on obtaining a passport, visit <http://travel.state.gov/passport> on the internet. It may take up to 7 weeks to obtain a passport after applying so please plan accordingly. Again, if you arrive for the Canadian Odyssey program and do not have a passport and a clean criminal record you will not be allowed to participate in this program.

A shuttle van is available from the Minneapolis/St. Paul International Airport. The shuttle leaves the airport at 1:30 p.m. **the day of your scheduled starting date** and arrives at Northern Tier in Ely, Minnesota, at approximately 7:00 p.m. (approximately 5 ½ hour trip). If you plan to arrive via plane, you must schedule your arrival **no later than 12:30 p.m.** into the Minneapolis/St. Paul International Airport.

IMPORTANT: Plan to be at Northern Tier in Ely, Minnesota, by 7:00 p.m. the day of your scheduled trek. Be sure to visit <http://adventure.oa-bsa.org> for tips in planning your travel, as well as equipment needs prior to receiving your information packet. Upon arrival to Northern Tier in Ely, you will be transported by a shuttle to Atikokan, Ontario, to begin your Voyage.

The return trip leaves at 7:30 a.m. on your last scheduled day from Ely arriving at the Minneapolis Airport at 12:30 p.m. **Participants are strongly encouraged to find a travel companion from their home council to ease the process of traveling to the base.**

Those applicants not accepted as participants in the program will have their deposit returned. Participants canceling acceptance will be eligible for a refund if notification is received in the national office by May 15, 2009. No-shows are not eligible for a refund.

"Nowhere do the ideals of the Order and Scouting ring truer than in the expansive wilderness of the Boundary Waters. The open spaces on the lakes there linger with you not as just a mental image, but as a mindset you can only gain from going there yourself."

NORTHERN TIER WEIGHT LIMITS FOR CANOEING

It is strongly recommended that each participant in a Northern Tier expedition **should not exceed** the maximum acceptable weight-to-height table shown below. Those who fall within the recommended weight limits are much more likely to have an enjoyable trek and avoid incurring injuries and health risks. Extra weight puts strain on the back, joints, and feet. The portage trails can be very muddy, slippery, and rocky and present a potential for tripping and falling.

We also strongly recommend that no participant be less than 100 lbs. in weight. Extremely small participants will have a very difficult time carrying canoes and heavy packs.

The load limits of the canoes is another important reason to limit participant weight. We put 3 people per canoe. The total participant load per canoe must not exceed 600 lbs. (an average of 200 lbs. per participant).

Height	Recommended Weight	Maximum Weight
5'0"	100 – 138 lbs.	166 lbs.
5'1"	101-143	172
5'2"	104-148	178
5'3"	107-152	183
5'4"	111-157	189
5'5"	114-162	195
5'6"	118-167	201
5'7"	121-172	207
